Amiya Kumar

Founder Director

To build a business empire takes immense courage and determination. Mr. Amiya Kumar, the Founder and Chairperson of Shivam Group takes pride in saying "I have taken ambitious steps in my journey as an Entrepreneur". Unlike any other passionate MBA graduate, he entered society once he graduated, not seeking a job, but with a vision to "run the show by himself". When we look back at what he has achieved, all we can think of is a fascinating youngster ready to take all the risky roads and bear all the uncertainties. Mr. Amiya Kumar never liked the idea of working for another person.

In his early twenties, he started his career as a young entrepreneur and promoter of Shivam Security Services and soon expanded into several businesses, turning into a serial entrepreneur. Shivam Security Services provides Security services, Facility Management, Property management and all kinds of hard and soft services.

As a single businessman in this competitive world, he personally employed 28000+ workforce, both skilled and unskilled, for all kinds of support staff services including residential, industrial and educational institutes. Some of his esteemed and reputed clients are EMAAR MGF Land Ltd., MGF Developments, MGF Group, MGF Estate Management, ESSEL Group, Ahluwalia Contracts (India) Ltd., Siddhivinayak Motors Pvt. Ltd., Suncity projects Pvt. Ltd., Modern Construction Company (Delhi), BIZ-TECH Consultants Pvt. Ltd., Tishman Speyer, Leighton, Odeon Builders, Zee group of companies, Volvo, Dhoot Infrastructure Projects Ltd., Puri Constructions, Umang Realtech Pvt. Ltd., Conscient Infrastructure Pvt. Ltd., Monsoon Breeze, Raffles International School, Active Securities, Action Bridgegap and DHI.

*"Being an entrepreneur is like being your own boss. You're the one who decides, makes rules, and you're the one who has to work!" says **Mr. Amiya Kumar***

It might seem like a Pep talk, but he says that he would be glad if any of you young entrepreneurs get inspired, as his goal is to train and produce entrepreneurs who in turn will create job opportunities.

Mr. Amiya Kumar always strived to provide the best to all his clients and a 100% client satisfaction rate is his achievement. He proudly says that all his customers have preferred to work with him frequently and regularly. It has been a pleasure for him to receive such appreciation from all the clients, Mr. Amiya Kumar has worked through all the verticals of Shivam Group of Companies with the help of a workforce of more than 28,000. With the vision of expanding Shivam Group of Companies in all the verticals with the best quality services to every industrial, residential to corporates to schools, making it India's biggest conglomerate, Mr. Amiya Kumar moves ahead in his career.

What We Do?

SERVICE OFFERING

With over 2 decades of excellence in the field of round the clock security and complete facility management services, we at Shivam Security Services proudly introduce ourselves as the leaders in the industry.

Our services focus on integrated solutions designed to enhance the performance of your business. By incorporating the best practices from the security industry into your business, Shivam Security allows your business to stay focused on what matters the most—the mission. Although we are a small business we demand big results from our employees. Contract compliance, customer satisfaction and quick positive response to our clients are the trademarks to our high quality of services.

SERVICES

Security Services

We ensure complete security services through our highly trained staff equipped with best resources. The foundation of our unsurpassable security services is laid by competent guards who undergo a series of rigorous training procedures under some of the most known veterans from Army, Air Force, Navy, and Paramilitary forces. Unmatchable cognitive skills, mastery at use of advanced weapons, and dedication, strength, and vigor to deal with any and every situation that threatens the security of your organization, this is what our security service is known for.
